From the Principal's desk

Parent Interviews
Our parent teacher interview notes went home this week. Please complete the tear off slip and return it to your child’s class teacher as soon as possible. Your interview times will be confirmed by the class teachers in the coming days.

Chickenpox
Please be advised that we have had several confirmed cases of chickenpox at school. We recommend that you watch your child for the signs and symptoms of the disease. Symptoms include a slight fever, runny nose, feeling generally unwell and a skin rash. If you suspect your child is ill with chickenpox, please inform the school and keep your child at home. Children with chickenpox are required to remain out of school until all of the chickenpox blisters have dried, which is usually around 5 days.

Grandfriends Day
We are all looking forward to welcoming our grandparents and grandfriends to our school next Wednesday. I know they will enjoy the morning. This event is not for parents, there will be other opportunities for parents to visit classrooms and see children perform throughout the year. We only have limited seating available and we don’t to see our older visitors standing.

Class Parents
I would like to thank the class parents who were able to meet with Mrs Nieuwenhuis, Mrs Parkinson and I this morning. There were some very interesting suggestions about ways we could involve more parents in our community and improve our communications procedures. If you have any suggestions, please email me at: owen.taylor@det.nsw.edu.au or let your class parent/s know.

Michael Carr-Gregg
Unfortunately, our parent evening with Michael Carr-Gregg scheduled for Monday 28th April has had to be cancelled. We are sorry about this inconvenience.

Tennis Knockout team
Congratulations to our tennis team – Shante, Charlie, Rigby and Georgia – who have now won through to the third round of the State knockout competition. The team beat Lane Cove West on Monday and will now play Artarmon PS in the next round.

Young Leaders Day
Our captains and vice captains will be heading into the city next Monday to be a part of the Young Leaders Day along with thousands of other school leaders from Sydney and greater NSW. The children will hear from Ita Buttrose, Bob Carr and Andy Griffiths among others. Mrs Nieuwenhuis and Ms Norrie will accompany the children. I’m sure they will really enjoy the experience.

Congratulations Mr & Mrs Norman
On Monday, Mrs Norman gave birth to a baby boy! Arki Joe Norman was born at 6:57pm weighing 4.4kg. Mum and baby are both doing well – even after a 19 hour labour. We would like to wish Sarah and Dylan all the best from the Balgowlah North school community.

Owen Taylor,
Principal

Stars of the week

The Year 6 boys and girls for their fabulous attitude and behaviour on their visit to the Q Station last week. The staff at the Q Station were very impressed with the maturity and diligence of our kids. Well done everyone!

From the Deputy Principal’s desk

Trading cards and looming bracelets at school

The time has come when trading cards such as ‘pokemon’ ‘football cards’ and ‘Dreamworks Woolies cards’ are popular with our students, generally the boys. Most of the time, all is fine and our students seem to happily entertain themselves with the wonder and mystery of these cards. However, we always seem to reach a point when complaints re shonky deals and sneaky tradings multiply. The student who feels hard done by tells the teacher that a shonky deal has been done and the teacher can spent a large amount of time trying to unravel the Byzantine nature of the deal made!

Of course, there are two and sometimes more sides to every story (i.e. trade) and it is often not the best use of a teacher’s time. Class teachers will speak to the children and remind them that if they are played in a way to cause further upset to students, the only action will be to look at banning them at school. This is not something that we are keen to do, although the school has done it in the past during other card fads. Please take the opportunity to talk to your ‘card fan’ about playing fair and that cards are not to be traded. Bracelet weaving is another fad sweeping our school at the moment. Students can amuse themselves designing bracelets with decorative colours and designs at playtimes, but we do request that these are not worn to school or traded and our uniform policy of jewellery being left at home is respected.

NAPLAN (National Assessment Program – Literacy and Numeracy)

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by all students in Years 3, 5, 7 and 9 in all government and non-government schools. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy learning of students in all Australian schools. The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents/carers will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard. Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The tests will be conducted across Australia for all students from 13 - 15 May 2014.

University of NSW Competitions (ICAS)

Students in Years 3 – 6 have received notes for the entry into the state-wide testing program conducted by the University of NSW. Tests are available in English, Mathematics, Writing and Science. Please note that payment for these tests must be received by Thursday 27th March. No late entries will be accepted. Notes are available on the school website under the notes section.

Scripture Easter Service

The scripture Easter service will be held on 10th April in the hall at 10.30am. Parents are welcome to attend. The scripture assembly is organised by our scripture teachers. Non-scripture and ethics students are invited to attend this assembly, however if you would prefer your child not to attend please let your child’s class teacher know.

Maths Olympiad

The Maths Olympiad has been operating since 1987 and every year, schools from all over Australia and neighbouring countries take part in five contests. The aim of the program is to encourage students to develop important mathematical problem solving skills in an enjoyable environment. Congratulations to our 2014 Maths Olympians, Holly Baynham, Thomas Rouse, Daniel Martin, Marley Kierans-Ball, Isabella Rigatos, Mia Schwartz, Anthony Schiro, Beatrix Jones, Harvey Jones, Jack Giffin, Zac Ottawa, Jayden Agapiou, Chloe Martin, India Moore, Emily Wood, Hayley Dalton, William Mace-Smith,
Mia Jarrett, Josh Bortolussi. The students will be working each Tuesday during Terms 2 and 3 with Mrs Yanitsas, where they will be learning and practising problem solving strategies and techniques. Although the students will be competing against teams from other schools, they are primarily competing against themselves. I thank Mrs Yanitsas for volunteering her time to coach our 2014 team

**Young Leaders Day**
On Monday 31st March Miss Norrie and I will have the pleasure of accompanying our eight Student Leaders at the National Young Leaders day at the Entertainment Centre. This is an annual event that will enhance our students’ leadership skills and inspire them to share what they have learnt. During the day, they will be participating in interactive seminars by a selection of well-known leaders in their respective fields. The speakers this year are Ita Buttrose, The Hon. Bob Carr, Andy Griffiths and Coen Ashton. I know that our Student Leaders will find this a rich and rewarding experience, one that Miss Norrie and I look forward to sharing with them.

Marita Nieuwenhuis  
Deputy Principal

**Library News**
It has been a wonderful week in the library with lots of children enthusiastically borrowing during their class library time as well as at lunchtime. It’s lovely to see many children suggesting books to their classmates when choosing a book to borrow.

As you know next Wednesday, 2nd April is Grandfriends Day. The library is open from 8:30 – 11:30 and we would like to encourage all grandfriends to come and visit. We will have lots of books available to donate to the library. Many of these are books which students and teachers have requested to be part of our library. Please let me know if you are available to help that morning. You can email me at: deborah.horsley1@det.nsw.edu.au or come and see me in the library.

This term in the library, Year 2 have been extending their classroom theme of Transport and learning research skills. We have discussed different sources of research as well as ways of taking notes. They are using their library research to write information reports. Please come and see us if you would like to volunteer to cover some of our new books in contact.

Debbie Horsley & Nicole Grover

**Learning to Lead**
The Premier’s Sporting Challenge aims are to engage our students in sport and physical activity and encourage them to lead healthy, active lifestyles. Our Year 6 Sports Captain and Vices Captain had the wonderful opportunity to take part in the annual PSC SL Learning to Lead Years 5-8 workshop which was held on Thursday 20th March. The students had an active day participating in many different sports. Fun was had by all.

**EARTH HOUR 2014**
At 8:30pm, Saturday 29 March 2014, millions of people in cities across the world will switch off their lights to help combat climate change and help our planet.

THROUGH THE SUM OF OUR EFFORTS, WE CAN HAVE A BIG IMPACT. How can you help? Students at Balgowlah North are learning about ways in which we can save electricity and live sustainably. Earth Hour is not simply about switching off the lights for one hour. Earth Hour is a time to commit to more enduring, everyday changes for the benefit of the planet. This year a special Earth Hour documentary on the Great Barrier Reef will be screened on Channel 10 at 6pm on Saturday 29th March.

Talk with your children about environmentally friendly things you can do at home. For more information go to: http://www.earthhour.org.au/ or www.coolaustralia.org for related educational games and activities.

**National Ride2School Day**
Congratulations to all of the Year 3-6 students who rode or walked to school on National Ride2 School Day. Our SRC members collected the results and we had over 100 children walk or ride to and from school. It was great to see the bike racks full. Walking and riding to school is a great way to get some exercise before school. Research shows that children who walk or ride to school are more attentive in class, are more active in the playground, have a better knowledge of their local area and demonstrate independence and resilience. National Walk to School Day is coming up in May so get behind this program by walking to school whenever possible. It is also a great way to help relieve the traffic congestion around the school. If you must drive, try parking around the corner from school and walking to the school gate. Please remember to use the school crossing and footpaths where possible.
Music
State Music Camp: Years 5 -12
Sunday 13 July-Friday 18 July 2014
Venue: Sydney Academy of Sport, Wakehurst Parkway, Narrabeen
The State Music Camp is a wonderful opportunity for your child to develop his/her musical skills in an inspiring and professional environment. In previous years students from Balgowlah North Public School have participated in the camp and have thoroughly enjoyed the experience. For further details regarding the State Music Camp please see Margaret Malar.
Music Teacher

Clothing Pool
I’ll be holding a sale on Friday 4th April from 3.30pm. If anyone can’t make it, I’m around most Friday afternoons playing handball near the senior playground. Thank you.

**Sports Star News**

Congratulations to these Balgowlah North Students for their achievements in sport outside school this week:

**State Athletics Championships**

- **Thomas Klem** (3S) 2nd 400m sprint, 5th 200m sprint
- **Cameron Mace** (5G) 5th Long jump
- **Will Brennan** (3T) 7th 800m Distance

**Tennis**

- **Shante Lai**: for being selected in the Sydney North Regional Tennis Team to compete in Newcastle in Term 2.

**NSWPSSA Tennis Knockout**

Congratulations to Shante Lai, Georgia Singleton, Rigby Whearty and Charlie Brown for convincing beating Lane Cove West Public School in the Victor J Kelly Trophy Knockout Tournament yesterday. They will now travel to Artarmon to play Artarmon Public School on Tuesday 1st April.

**Important Notice**

There will be no PSSA sport for the next two weeks, due to the sports fields being closed for repair by the council. During this period trials will take place for winter PSSA teams.

**A note from the Sports Desk**

In sports lessons this week, we have started to talk about Cross Country running. The school carnival for years 2-6 is early next term. Although we are still 5 weeks away, now is the time to start training! The distance for 8,9 and 10 year olds is 2km, and 11 and 12 year olds run 3km. It would be wonderful if the majority of students could complete the course without walking. This is a huge challenge for a lot of our students. We are starting to do a little more running practice in PE lessons to build stamina, but any extra running at home would definitely help. Let's give our students every chance of success in this event!

**Mrs Kelly's Health Tip this week**

Get Active Every Day!

Did you know...It is recommended that children and young people between 5 and 18 do a minimum of 60 minutes of moderate to vigorous physical activity every day. The 2007-2008 NSW population health survey found that only about a quarter of 5-15 year olds met this recommendation. How much physical activity are you doing?

For other health tips go to: [www.healthykids.nsw.gov.au](http://www.healthykids.nsw.gov.au)

Kerry Kelly

PE teacher Years 2-6
Mr Rees – interviewed by Maddison

I enjoy sport. I go for the Sydney Swans and I love swimming. I also like to go walking. My favourite food is steak and chips.
Before coming to Sydney, I lived in Adelaide. My favourite thing about teaching is seeing children learn new things and build up skills. I have taught in Liverpool and Rose Bay.
I enjoy different languages and I enjoy speaking French.

Miss Tait – interviewed by William

I have been teaching for the last four years and think I have the best job ever.
I absolutely love watching students grow and strive to reach their academic and social potential. I also love to see a student’s face when they learn something new and interesting.
Before Balgowlah North Public School, I taught at an all boys’ school called Knox Grammar Preparatory School.
Apart from teaching, I love to horse ride. I also really enjoy being outside whether it’s at the beach or going for a walk.

Mrs Warnes – interviewed by Mary

I worked in the Private Sector before working as a learning support officer of 4 years.
I love working with the children and to help them achieve their absolute best.
I have taught at Frenchs Forest Public School, Harbord Public School and Davidson High School.
My favourite pastimes are going walking and fishing.
MULTI SPORT
APRIL SCHOOL HOLIDAY CAMPS

TENNIS • FUTSAL • BASKETBALL • SQUASH • VOLLEYBALL • CRICKET

NORTH MANLY

Term 1 Week 9
Wednesday, 26 March 2014

Our school holiday multi sport camps are great way for kids to keep active and have a blast during school holidays and are designed for kids aged 4-14 and of all abilities.

Kids will enjoy participating in a range of sports such as Tennis, Futsal, Basketball, Squash, Volleyball and Cricket and making new friends throughout the camp.

We also run a high quality indoor wet weather program in case of rain.

30% OFF THESE HOLIDAYS ONLY!
