From the Principal’s desk

Zone Carnival
I would like to congratulate all of our boys and girls who represented our school at the Manly PSSA Zone athletics carnival on Monday and Tuesday. Several children qualified for the next level and will be representing us at the Sydney North Area Carnival next week. Mrs Stock has published the results later in this newsletter. Well done to everyone involved!

NAPLAN Reports
If you have a child in Years 3 or 5 you will receive your parent report of their NAPLAN results today. Overall, our results were very impressive and our school averages were again significantly above the national averages. I am proud of the boys and girls for their efforts. The NAPLAN testing process provides the school with some valuable external data but it is certainly not the be all and end all. NAPLAN provides a snapshot of our children’s learning at a point in time, over three days in May. We can now analyse this information alongside the internal assessment data that the teachers have collected. Our school-based assessment which is timely, contextual and has been gathered over an extended period is the most valuable data.

You may have read reports in the media recently about the difficulty of the writing part of the assessment. The writing stimulus, which is the same for children in Years 3, 5, 7, and 9, was as follows:

‘Change a rule or law
Rules and laws tell us what we can and cannot do. Choose a rule or law you think needs to change. It could be a home or a school rule. It could be a rule of a game or sport. It could be a law that everyone has to follow. The change should make the rule or law better. Write to convince a reader why this rule or law should be changed.’

There certainly was some tricky wording in this stimulus material, but overall our children were quite persuasive and our writing results were very good. I will analyse our whole school data and present a summary of our results to the first P&C meeting of Term 4.

Farewell Mrs Grindley!
We would like to wish Mrs Grindley all the best as she starts her maternity leave at the end of this week. I would like to thank Mrs Grindley for her contribution to Balgowlah North PS over the years and all our team look forward to working with her again shortly. We are looking forward to seeing the beautiful photos of her new baby. I would like to welcome Mrs Natalie Garlick to the BNPS school community. Mrs Garlick will be taking 5G until the end of the year.

Bear Pit Public Speaking
Last Friday, Mrs Spooner and I had the pleasure of attending NSW Parliament House to hear the finalists speak in the Bear Pit Public Speaking Competition.
Mary, 6W and Scarlett, 4N, were our finalists and both spoke very confidently in the parliamentary chamber. Mike Baird was very impressed with the quality of speeches from all of the children. Congratulations to Scarlett who was awarded second place in the Stage 2 category by the judges.

Year 4 Campers
I know our Year 4 campers will have a great time away on Thursday and Friday. Fingers are crossed for some decent whether up in Morisset. Thanks to Ms Norrie and the Year 4 teachers for making this valuable learning experience possible.

P&C Meeting
I look forward to seeing many of you at the P&C Meeting tonight. The meeting commences at 7pm in our library.

Only 72 Days to go until our Spring Carnival...
Owen Taylor
Principal

**Stars of the Week**

Our fabulous Zone athletics team who did such at great job representing our school at the Zone carnival on Monday and Tuesday.

**From the Deputy Principal’s desk**

**Instrument Trials (Blow Test)**

On Tuesday September 2nd, students from Years 2 – 5 were invited to participate in the Annual Instrument Trial (Blow Test) for Junior Band and String Ensemble in 2015. The children converged on Kulkana and were treated to playing a multitude of instruments guided by our conductors. The tutors and conductors have looked carefully at each student’s strengths on each instrument and, as a result of the assessments students will be matched to a suitable instrument to bring together a balanced Junior Band next year. The instruments trialled included clarinet, saxophone, trumpet, trombone, French horn and drums. The students displayed positive energy and fascination at the range of instruments available. Good luck to all those who trialled instruments and please keep an open mind to the directions recommended when notes are returned home. All recommendations come with the best intentions but please feel free to discuss the options if the choice does not resonate well for you.

**Big Day Out**

All students involved in our band and String Ensemble program are invited to a Big Day Out at Luna Park in Term 4, 21st November. Please mark this date in your diary, more details will follow soon.

**Teacher Professional Development**

Teachers have been involved in action learning projects based around the new Mathematics syllabus that is to be officially implemented next year. During these projects we have been collaboratively planning and observing lessons then reflecting and evaluating our lessons. With access to modern teaching techniques through the syllabus and Department of Education support material; and with the bank of experience and knowledge amongst the staff within the school, there have been some great maths lessons presented over this term. I’m sure the students will benefit greatly from this collaborative approach to professional development so widely embraced by our committed staff. I’d like to thank Mrs Ridley and the Maths Committee for their hard work in organising this program. Next term our teachers will be involved in another action learning based around the new English syllabus with a focus on comprehension.

**Gala Concert.**

Our annual Gala Concert is fast approaching. The date is **Tuesday 14th October** from 6.30pm in the school hall. This evening is to showcase the wonderfully creative work of our students and teachers. The evening provides entertainment from our Junior and Concert Band, String Ensemble, Junior and Senior Dance groups, Junior and Senior Choir and Drama Ensemble. More information will be published shortly, Mrs Malar and I will be conducting auditions for individual items on Wednesday 10th September. If you would like to audition please see Mrs Malar as soon as possible.

**Year 3 Campers**

Year 3 enjoyed a wonderful camp at Milson Island last week. They participated in a variety of activities including archery, survival skills, damper cooking and helping out on kitchen duty. The weather was somewhat challenging but as always our students attitude and enthusiasm was fabulous, they are a credit to our community. I would like to express my thanks to our Year 3 teachers who spent an enormous amount of time making sure the camp was a great experience for everyone!

**Book Parade / Open Day**

Remember that next Tuesday 9th September is our Book Parade and Open morning. Our book parade will commence at 9.15am in the front playground and parents are invited to visit their child’s classroom between 10.15 – 11.00am. Children are requested to stay in their classroom at this time with parents coming to visit them. To complete the morning, please bring a picnic morning tea to have with your children in the playground. We look forward to sharing this morning with you.

*We learn something from everyone who passes through our lives. Some lessons are painful, some are painless.... But, all are priceless.*

Band News

Junior Band

Congratulations to the Junior Band on their magnificent performance at the Fathers Day Breakfast. The many rehearsals and practice at home have both paid off. It was a pleasure to listen to you. Well done.

2015 Junior Band

Please check your child’s bag for an Acceptance of Instrument form for the 2015 Junior Band and return it to the school by Friday 12 September.

Upcoming Events

Sunday 14 September : Battle of the Bands. Concert Band only. A note with details will go out shortly.

Thursday 18 September: K-6 Assembly Concert Band performing.

Tuesday 14 October: Gala Night. Concert and Junior Band and String Ensemble performing.

Jenny Mercer

School Liaison

Road Safety

Thank you to those who participated in Car Free Friday. Despite the wet weather, we still had lots of walkers. Please consider the following when you are walking to and from school with your child:

- Plan your trip so that you are able to use pedestrian crossings where possible.
- Always hold your child’s hand. Children need your help to spot dangers such a vehicles coming out of driveways. They can be easily distracted and walk into traffic.
- Talk with your children about Stop, Look, Listen and Think every time they cross the road.
- STOP! one step back from the kerb.
- LOOK! for traffic to your right, left and right again.
- LISTEN! for the sounds of approaching traffic.
- THINK! whether it is safe to cross the road.

Young children can learn these safe pedestrian habits from you and continue to use them later on when they are old enough to travel alone.

Tess Burns

Family Interrelate

Last night was a huge success, thanks to all our families who attended. The two sessions run by Interrelate were incredibly informative, engaging and entertaining. I am sure that the students gained a much deeper understanding of the changes they are about to experience and will continue to ask those ‘curly’ questions.

Bev Wetzler

P&C News

Road Safety

As you know we have a significant safety issue regarding the speed bump on Manning Street.

Because the speed bump looks like a pedestrian crossing we have had many “near misses” due to students and parents wrongly assuming that it was. Through traffic is similarly confused and may or may not slow down or stop.

We have had many discussions with Warringah Council over the past few years. As the school has grown in numbers road safety has become a real issue of concern.

After Mrs Debbie Emmerton and Mr Taylor attended a Warringah Road Safety Council meeting, the Council have decided to block off the footpath sides of the speed bump so that it will not be possible to use it as a crossing. There should then be no confusion – the speed bump is purely a traffic calming device.

It had been suggested that the speed bump be made into a pedestrian crossing, but it would be too close to the Bardoo Avenue corner and would result in the loss of parking on Manning Street.

I would like to thank Debbie Emmerton and Mr Taylor for attending the road safety meeting at Warringah Council and putting the school’s concerns to them. Without their considerable efforts we would not have had this successful outcome. Also, I’d like to thank Mike Baird and his office for his support.

Manning Street is still a very busy road, so please take care whilst crossing with your children.

Ann Parkinson - P&C President

Library News

The students are getting very excited about the upcoming Book Week Parade and Book Swap. We have been hearing from lots of students about their fabulous costume ideas. Next Tuesday 9th of September children can come to school dressed as one of their favourite book characters. You are all invited to our annual Book Parade beginning at 9:15 in the top playground. The parade is an opportunity for the children to share book characters which they have connected with. It would be great if children included in their costume a sign or label with the book’s name and author so everyone knows where the character comes from.

We are also very excited to be hosting our first Book Swap where we aim to raise money for the Indigenous Literacy Foundation who provide literacy programs for Aboriginal children in remote communities. Next Tuesday children are asked to bring a gold coin and a book from home to put into the book swap. Please help your child choose a good book for this, one that they have loved but are willing to part with.

We look forward to seeing many of you next Tuesday.

Debbie Horsley - Nicole Grover
Balgowlah North Public School

Gala Concert

Come along and be entertained by the following fantastic groups and individuals of Balgowlah North Public School.

- brilliant bands
- captivating choirs
- superb string ensemble
- junior and senior dazzling dance groups
- dynamic drama ensemble
- outstanding individual items!

Where: Balgowlah North Public School Hall.

When: Tuesday, October 14th at 6.30pm

Tickets will not be issued, however, please complete the Gala Concert Attendance Note below so that we are able to accommodate the number of people wishing to attend.

Looking forward to seeing you there!

Mrs Nieuwenhuis, Mrs Mercer and Mrs Malar
