From the Principal’s desk

Swimming Carnival
We were blessed with a beautiful day for our swimming carnival yesterday. It was great to see so many boys and girls competing. Thank you to all the parents who volunteered as timekeepers, judges and water safety which helped make the day such a success. Thanks Mrs Stock and Mrs Kelly for their organisation.

The Tell Them From Me student feedback survey
Our school, like many others in the state, will participate in a Department of Education and Communities (DEC) initiative: the Tell Them From Me student feedback survey. The survey aims to help improve student learning and measures factors that are known to affect academic achievement and other student outcomes. The focus of this NSW-wide survey is on student wellbeing, engagement and effective teaching practices. More information about the survey is available at: http://surveys.cese.nsw.gov.au/information-for-parents

The survey is an opportunity for our students in Years 4, 5 & 6 to provide our school with valuable feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. The survey is confidential and staff will not be able to identify individual students from their responses. The survey is conducted online and will take less than 30 minutes to complete. It will be administered during school hours in the last few weeks of this term. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with the children today. If you do not want your child or children to participate, please return the form to school by Friday 27 February. Thank you for your support in this matter.

Parking Rangers
We have been informed that the Council Rangers will be patrolling around our school over the next couple of weeks. Please remember to drive safely and park legally at all times.

Sundowners at Daniel San
You can now book online for our first parent event for 2015. It takes place on Saturday 28th March from 7pm at Rooftop Dojo @ Daniel San in Manly. Tickets ($60) are available online through Flexischools. The theme is a touch of summer.

Feel Good February
Congratulations to one of our Mums, Linda Pang, who has created an initiative called Feel Good February. FGF encourages people to do something kind for someone else throughout the month of February. There are some great ideas which you may wish to consider on the FGF Facebook page. See the flyer later in this newsletter with information about the upcoming ‘Swap on the Corso’ event on Saturday 28th February.

Working Bee
We have had many parents express an interest in the working bee on Friday 27th February. Parents will meet at the office at 9:15am with their hats, gloves, sunscreen, water and any useful gardening implements. You can contact Adrian Molloy for more details: adrianbmolloy@gmail.com

School App – New P&C list
Thank you to all of those families who have downloaded our school app. The app has now been updated with a P&C list option. If you would like to receive the latest P&C-related information, please check the P&C button in the settings menu.

School Development Day This Saturday
Our teaching staff will all be participating in a professional learning day this Saturday. We will be working with expert Mathematics consultant, Anita Chin, to support our implementation of the new Mathematics syllabus document. I appreciate the extra commitment and effort that our teachers regularly put in to ensure our children get the best educational opportunities.

https://www.facebook.com/balgowlahnorthps  https://twitter.com/BalgowlahNhPS
Kindy Parents Welcome Evening
I look forward to meeting many of our new Kindy parents at our welcome evening this Friday night. The evening will be held at 24 Waterview Street, Seaforth from 6:30pm onwards.
Owen Taylor
Principal

Important Dates
20th February PSSA commences
24th February Kindy Welcome Drinks
27th February Road Safety Day

From the Deputy Principal’s desk
21st Century Learning
The new National Curriculum demands that schools assist our young learners to be:
* Creative
* Collaborative
* Critical thinkers who can effectively
* Communicate
These are known as the 4 C’s of 21st Century learning.

Our students learn to be effective learners as they develop their literacy and numeracy foundations and content knowledge. We want our children to learn to be effective learners who can respond to a changing world by working through problems creatively and effectively with each other. The powerful transformation of the traditional library program at BNPS is placing students at the centre of the learning process. Utilising ipads, our Year 5 students were engaged in literacy investigations last week in the Library, our students were actively engaged in 21st century learning of problem solving, researching, communicating and collaborating. Talking with Year 5 about their learning, they commented on the benefit of having access to four teachers within the one space, working collaboratively to generate ideas and having a choice in the demonstration of their learning. Our staff is enjoying working closely as a team, with Mrs Horsley our Librarian, collaboratively planning and team teaching.

Parent Information
Thank you to the many parents who attended the Stage Information Evenings last week. The teachers appreciated you taking the time to find out what your children will be doing at school during the year. If you missed your child’s information session, slides of the information presented for your grade, can be found on our school website under the notes tab.

University of NSW Competitions (ICAS)
If you would like your child in Years 3-6 to enter in to the statewide testing program conducted by the University of NSW please find the information and permission note under the notes tab of our website. Tests are available in English, Writing, Mathematics and Science. Dates for the competition are;
Science – 3rd June @ 8.00am
Writing – 17th June @ 8.00am
English – 28th July @ 8.00am
Mathematics – 11th August @ 8.00am

Please complete the tear off slip and return with your payment to the school office. The final date for payment is Wednesday 25th March 2015. No late entries will be processed.

Kindergarten Buddies
Kindergarten and Year 6 enjoyed their first buddy visit this week. Amongst the excitement of being at big school, meeting their Year 6 buddy added to how wonderful and exciting school is. I’m sure there will be many more opportunities for our students to share their learning over the year.

Assembly
We enjoy being able to celebrate the efforts and achievements of our students. This week we have 2MT leading our K-2 assembly. We look forward to parents and friends joining us. Please be seated by 2.20pm in the hall.

Maths Olympiad
We have been extremely fortunate to have Mrs Maria Yanitsas as our Maths Olympiad coach for the past three years at BNPS. I would like to thank Maria for her work with our students, stimulating their enthusiasm and enjoyment of mathematics.
We are now in need of another coach for our Year 5 & 6 students for the maths Olympiad in 2015. The Olympiad team consists of 25 students from Years 5 & 6 and they meet once a week for 40 minutes in the Library during

https://www.facebook.com/balgowlahnorthps
https://twitter.com/BalgowlahNthP
Terms 2 and 3. The aim of the Olympiads is to develop problem solving skills and strategies, creativity and to strengthen foundations for future studies. All information is provided including support. If you have a background in mathematics or science and would be interested in becoming involved please contact me at school.

Marita Nieuwenhuis
Deputy Principal

Positive Behaviour for Learning

The most powerful form of recognition is positive praise. We all like to be told we've done a good job! This is our most powerful tool and we work hard to recognise students in all areas of school life.

Balgowlah North Public School also operates a formal recognition system K – 6.

Our Merit System encourages a continuity of positive behaviour based on our PBL program as students move from grade to grade throughout their school years.

Mini Merits—students are recognised for their efforts to be safe, respectful and responsible learners using mini merits. The mini merits remind students of our expectations. When you've collected 10 mini merits they are exchanged for a merit certificate.

Welcome

Many congratulations to Rachel & Luke on the birth of their gorgeous son, Tadhg. Both Mum and baby are doing very well.

NRMA Science & Road Safety Day: Tuesday 24th February

Our school will be hosting an NRMA Science & Road Safety Day, a new road safety program that will be delivered free of charge to our school by the National Roads & Motorists’ Association with the aim of helping our students stay safe on the road.

This program involves students participating in road safety shows in the hall and completing road safety workbooks in the classroom to help the road safety messages stick.

The shows combine important road safety message with science. Messages such as “Wear their seatbelt” have a greater impact when children have a stronger understanding of the forces they experience when travelling in a car and what could happen to them should the car stop suddenly in a crash. In the science show, a crash test dummy – an egg – memorably shows children how a seatbelt works to restrain passengers in a crash and more importantly why a seatbelt must be worn on each trip.

Parents play a vital role in keeping their children safe, and so we would like to invite you to come and watch the first show of the day at 9.00am in the hall to see what your children are learning and how you can reinforce these road safety messages at home.

After the day, your child will be bringing home the NRMA road safety workbook they have completed in class so take the opportunity to speak to them about what they have learned and what they can do to help keep their friends and family safe. Within each workbook is a 4-page parent insert on child road and bike safety for you as a handy reference guide at home.

The program is now in its second season and 40,000 students already enjoyed the program while learning more about road safety. We are one of 100 schools across NSW and ACT to be chosen to host a day in Season 2 and with your help we aim to make it a great success.

Tess Burns,
Road Safety Officer

Students embracing Ride to School Day
Swimming Carnival 2015
What a glorious day we had, with brilliant swimming in the pool and deafening chanting from the sidelines. It was a great effort by all our swimmers who earned valuable points for their houses. I would like to commend all the children for their wonderful display of sportsmanship. Well done to all our placegetters. Special mention must go to these children: Hamish McLellan (50m freestyle, 50m breaststroke, 50m Butterfly), TJ Herring (50m backstroke), Sophie Walters (50m Butterfly), who broke records. Outstanding effort!

I would particularly like to say a big thank you to Coralie Kellahan and Jane Marsters for refereeing. Thank you must go to parents who assisted with timekeeping and water safety on the day and our wonderful teachers who helped to make our carnival such a wonderful success. The championship ribbons will be presented at our 3-6 assembly on Thursday 12th March. Parents and friends are most welcome to attend.

NSW Schools Physical Activity and Nutrition Survey 2015

Some of you may have heard about the Schools Physical Activity and Nutrition Survey (SPANS) which involves over 100 schools in NSW. I am delighted to announce that our school has been invited to participate. This is a great opportunity for our students to be involved in helping health professionals better understand children’s lifestyles such as their physical activity, fitness, food habits and movement skills. A team of specially trained teachers will collect the information on almost 8,000 students from Years K, 2, 4, 6, 8 and 10. The survey is being managed by a research team from the University of Sydney.

Children in some classes in Years KH, KT, 2B, 2MT, 4N, 4V, 6S and 6W (random selection) will bring home information about the study and a consent form. If you receive this package, please read carefully the information statement; if you agree to allow your child to participate, please complete the consent form, and send it back to school (using the envelope provided) as soon as possible. The survey will take place at our school on the Tuesday, 3 March 2015.

If you have any questions please talk to Mrs Kelly or Mrs Adams.

Kerry Kelly & Rachel Adams

Band & String Ensemble News
A reminder to all band parents that there is a Committee Meeting on Thursday 19th Feb
- 7.30pm
- 5 Illalong Avenue
- We need your help to run the program this year!!
- RSVP to bnpsband@hotmail.com if you have a chance, or just turn up

Semester 1 Fees are now payable for all band and string ensemble members
We offer a range of payment options:
1. **Online via Direct Debit:** Commonwealth Bank Account BSB: 062-251, Account No. 1008-8207
   Please ensure that your child’s name is in the description to ensure we can identify your payment.
2. **Cheque:** To be made payable Balgowlah North Public School Band
3. **Cash:** Please place into a clearly marked envelope. Cheques and cash can be placed in the Band pigeon hole located in the School Office
4. **Flexi-schools:** Choose the BNPS Band payment option. We pay a commission to Flexischool, so while we include it as an option for your convenience, it does represent an additional cost to the band. Thank you.

BNPS Band Committee

School Banking
Important Notice regarding Tokens
In previous years we have been given the option of resetting token balances to zero at the beginning of each year to minimise confusion of mixed up tokens over the holidays. We recently have been advised to instead carry token balances over from last year.

**IMPORTANT:** All bankers who have had their tokens reset to zero will have their token balance from last year reinstated when they next come to the school banking desk. It will take some weeks to action this process so please be patient when visiting the school banking desk.

Many Thanks to all the bankers who last week waited patiently to get their tokens reinstated.

**IN GENERAL:**
Please help us by completing the deposit slip BEFORE coming to the desk. And remember no banking can be done after the bell.

School Banking Rewards now available! Term 1 – ORDER YOUR PRIZE NEXT WEEK – Thursday 26th Feb
These new rewards have just been released for Term 1, and are available while stocks last:
- ET DVD
- Planet Handball

If you have 10 tokens on Thursday 26th Feb you can order your prize. If you prefer to wait here are 2 new items to come in Term 2 as well!

Open Day: Thursday 26th February 9.30 – 11.30 am
Lexicon Friendly, event, music performance, student presentations and tour of the campus. Morning tea provided for parents and students.
Enquiries: 9958 5082
Principal: Anthony Rudd

NSBC CRONER CAMPUS

Counselor Open Evening: Monday 9th March 6.00 – 8.00 pm
Experience the full range of programs at our campus. Evening of performance, hands on activities, displays, meet the staff and students.
Enquiries: 9911 1115
Principal: Justin Hong

NSBC FRESHWATER SENIOR CAMPUS

Open Afternoon: Sunday 15th March 3.30 – 5.30 pm
See the campus in action, lessons and extra-curricular activities conducted throughout the afternoon. View the spectacular facilities and studios, with students and staff, the full range of programs offered at the campus.
Enquiries: 9955 2614
Principal: Frank Isharri

ACADEMIC PLACEMENT TEST

For 2016 Year 7 academic extension classes at Balgowlah Boys Campus, Croner Campus and MacKellar Girls Campus.
Closing date: MSC-Friday 27th February 2016, 4pm and March
Test date: Thursday 19th March, 9 am
See the School website www.nsbc.nsw.edu.au for more information.
Enquiries: 9958 8700
Principal: Jesus Currie

MacKellar Girls applications available from the school and on the school website.

Academic Placement Test 2016 Intake

Year 7 Academic Placement Test 2016 Intake

Placement in the Year 7 Academic classes at NSBC Balgowlah Boys, NSBC Cromer Campuses and at MacKellar Girls Campus is based on supporting evidence of eligibility including the results achieved in the NSBC Academic Placement Test.

Application Forms

Application forms can be downloaded from The Northern Beaches Secondary College website as well as the campus websites.

Closing Dates for Applications for 2016 Intake

- NSBC Balgowlah Boys Campus - 3rd March 2015 by 4 pm.
- NSBC Cromer Campus - 3rd March 2015 by 4 pm.
- NSBC MacKellar Girls Campus - 27th February 2015 by 4 pm.

Students will sit the test at the Campus they wish to attend in 2016.

Test Date

Thursday 19th March 2015 at 9 am

The Forest High School

Wednesday 4th March 2015
6-8pm

THE FOREST HIGH SCHOOL

GATS (General Achievement) TEST

Saturday 14th March 2015

Dear Parents/Guardians of Year 6 Students,

The Forest High School will be running their GATS Test on Saturday 14th March from 9am to 11.30am in the school hall.

Students wishing to be placed in our Gifted and Talented class for Year 7 2016 must first sit for this test. The Year 7 G&T class for Year 7 2016 will be determined after close examination of the test results and the students’ NAPLAN results from Year 5.

The cost of this test is $40.00 payable on the day. Students are to bring a 2B or 2H pencil, an eraser and a ruler. No calculators or dictionaries can be used.

The test consists of three parts:

Part 1 – Mathematics - 40 multiple choice questions.
Part 2 – Reading and language – 40 multiple-choice questions
Part 3 – One writing task

Students are requested to arrive at The Forest High School by 8.45am for a 9am start. They are also requested to bring a copy of their NAPLAN results on the day of the test.

Parents are invited to a light morning tea in our common room where they will be treated to our Barista and Music program between 9am and 11am.

If you would like your child to sit for this test please ring The Forest High School on 94515111 and register your name, your child’s name, address and phone number. Please register before Friday 6th March.
